

SNOW

*“To become a champion,
fight one more round.”*

James J. Corbett

Iced water builds the white gold. It changes to snow and we use it for a lot of our outdoor activities. Activities done in our nature claims the creativity, risk readiness, as well as, the teamwork. A contemporary way for complementary education for your team – and it will be successful.

Yeti Trail / Snow shoe walking

The winter hike called “Yeti Trail” will be an unforgettable adventure. With the snowshoes, the guests cross lonely canyons, pass iced waterfalls and rope down glacial rocks. Enjoy this special adventure in the wonderful landscape of Lauenen.

You can also book a normal snow shoe walk in one of our valleys. Our guide will walk with you over untouched snow fields and silent forest – for about 2 to 3 hours you will explore the region with the snow shoes - a special experience for all our guests.

Quality and Safety

To ensure the highest possible quality and safety in our outdoor activities, we offer the highest standards. This has been checked and tested intensively by a number of official and private institutions, which resulted in us achieving certificates of "Safety in adventures" and "ISO 9001:2000". Due to these concepts we are able to monitor our quality and safety procedures systematically, thus maintaining our quality and safety standards at the highest possible level.

The certificates cover the following:

- Training and education of staff
- Check & control of all materials when purchased, during storage and whilst in use
- Simulation training of emergency situations
- Ongoing surveillance during activities

Each Activity has been extensively tested and certified on its quality and safety. Any weak points which have been identified were corrected in accordance with our quality and safety standards.

Core principles

First and foremost we do what is right for our customers.

We strive to provide the highest quality eye care and are committed to perpetual improvement in the supply of products and services.

We deal with all our clients openly and honestly.

We nurture our work environment to promote team values and are predisposed to give our co-workers the benefit of the doubt.

We respect our success without gloating, and we learn from our mistakes with humour and humility.

Trust and respect guide our judgements.

Innovation is our quest.

Customers

Customer satisfaction and safety is our highest priority. This includes expert and competent services. Successful co-operation with our customers relies on our integrity, professional service and timing

Employees

Our employees are our most important asset. We are dedicated to their further training in the area of safety and to fair compensation as regards performance.

Quality

To meet our customers' demands, we have a professional quality management system in place. This system is compulsory for all employees. Each employee has a high degree of personal responsibility which is subject to continual optimising.
